### SKILLS

- Proficiency doing camera, directing, writing, editing, and general production for films of a small DIY scale.
- Maximizing and utilizing limited filmmaking resources.
- Getting the hang of things quickly -- catches on fast.
- Communication
- Problem solving
- Self taught filmmaking through making films and especially the internet.

### WORK EXPERIENCE

#### **Arts & Communication Magnet Academy, Beaverton OR** - *Camera Operator / Focus Puller*

2022 - 2023

- Was on small film crews that recorded school plays/performances with a triple camera setup of large professional cameras. Operated the cameras, pulled focus, adjusted exposure and sound levels on the cameras.

#### **ACMA Theater Company, Beaverton OR** - *Video Editor*

2023

- Edited the footage from recording the plays into movies to be uploaded by the school's theater company.

#### **ReBuilding Center, Portland OR** - *Volunteer*

MARCH 2021 - AUGUST 2021 (6 MONTHS)

- Organized second hand house appliances to make them easier for customers to find
- Cleared paths of items for better foot traffic
- Cleaned up messes of items in a very messy store
- Total of 60 hours volunteered

---

## **Target** - *Fulfillment Expert*

AUGUST 2022 - NOVEMBER 2022 (4 MONTHS)

- Tracked down items on the Target sales floor, bagged them, and organized them for order and pickup.
- Helped customers find items.
- Worked 20 hours a week

## **RECREATIONAL FILMMAKING EXPERIENCE**

### **Mono Key (Film)** - *Director, Writer, Editor, Camera*

- [Watch the film here.](#)
